GENERAL OPERATING PROCEDURES FOR  
IHC SUPPORT STAFF LIAISON WITH THE IGS

Purpose

1. Ensure that the draft intelligence guidance provided by the Intelligence Guidance Subcommittee (IGS), SIGINT Committee, USIB, is consistent with USIB objectives on intelligence information handling and the mission and functions of the IHC.

General Procedures

2. The Support Staff will review the draft intelligence guidance for COMINT programming prepared by the IGS and will recommend required changes to the IGS.

3. The Support Staff will advise the Chairman, IHC, and as appropriate, the IHC when:

(a) Agreement cannot be reached between the Support Staff and the IGS on recommended changes;

(b) IGS draft guidance (as formally transmitted to the SIGINT Committee) deviates from the USIB objectives on intelligence information handling and the mission and functions of the IHC.
